

WOLF CREEK SCHOOL KINDERGARTEN *Screening*

MAY 14TH

12:00-3:45

Wolf Creek School is holding a kindergarten screening day on May 14th. We welcome you and your child to come and experience school for an afternoon. You can stay for the whole time or drop your child off for the afternoon.

We will have lunch about 12, read stories, do a screening with the SPED and SLP specialists about 1, as well as classroom activities and a recess. This gives kids and parents the opportunity to experience school and it gives teachers an idea of what to plan for next fall.

Please let us know if you plan to come.
